Hello!

Bristol Water Department changed your water meter. We are currently in the process of changing water meter companies. With this new meter by Metron-Farnier, you will have access to see your water usage, set budget limits, and receive leak and other notifications. You may create and view your account on "Waterscope.us" or "WaterScope - 2.0" via the app store on your smartphone or tablet. To register, you will need your VN number, account number, and an applicable email. Both your account number and VN/Meter Number will be located on your water bill.

VN Number:

Account Number:

To create your account on the computer: Please go to waterscope.us. It will take you to the log in screen pictured in figure 1 below. Right above the sign in button there is a "Register" button. Please click register and enter your account number and your VN number. There is also a video at the bottom of the webpage to assist you with registering.

To create your account on the mobile app: Please open your app store and type in "WaterScope - 2.0" and click on the one created by [Transparent Technologies, Inc.](http://TransparentTechnologies.com) Install the app. Once installed, please click "sign up." Enter your account number and your VN number. Follow the steps afterwards.

Please text/call (574) 304 - 2959 or email kbaer@bristolindiana.org with questions. You may also reach out to Town hall at (574) - 848 - 7007 with questions.
